

DRAFT

Appendix D. Published Groundwater Elevation Contour Maps for the Year 2000

July 2020

Prepared by:
GSI Water Solutions, Inc.
5855 Capistrano Avenue, Suite C, Atascadero, CA 93422

This page intentionally left blank.

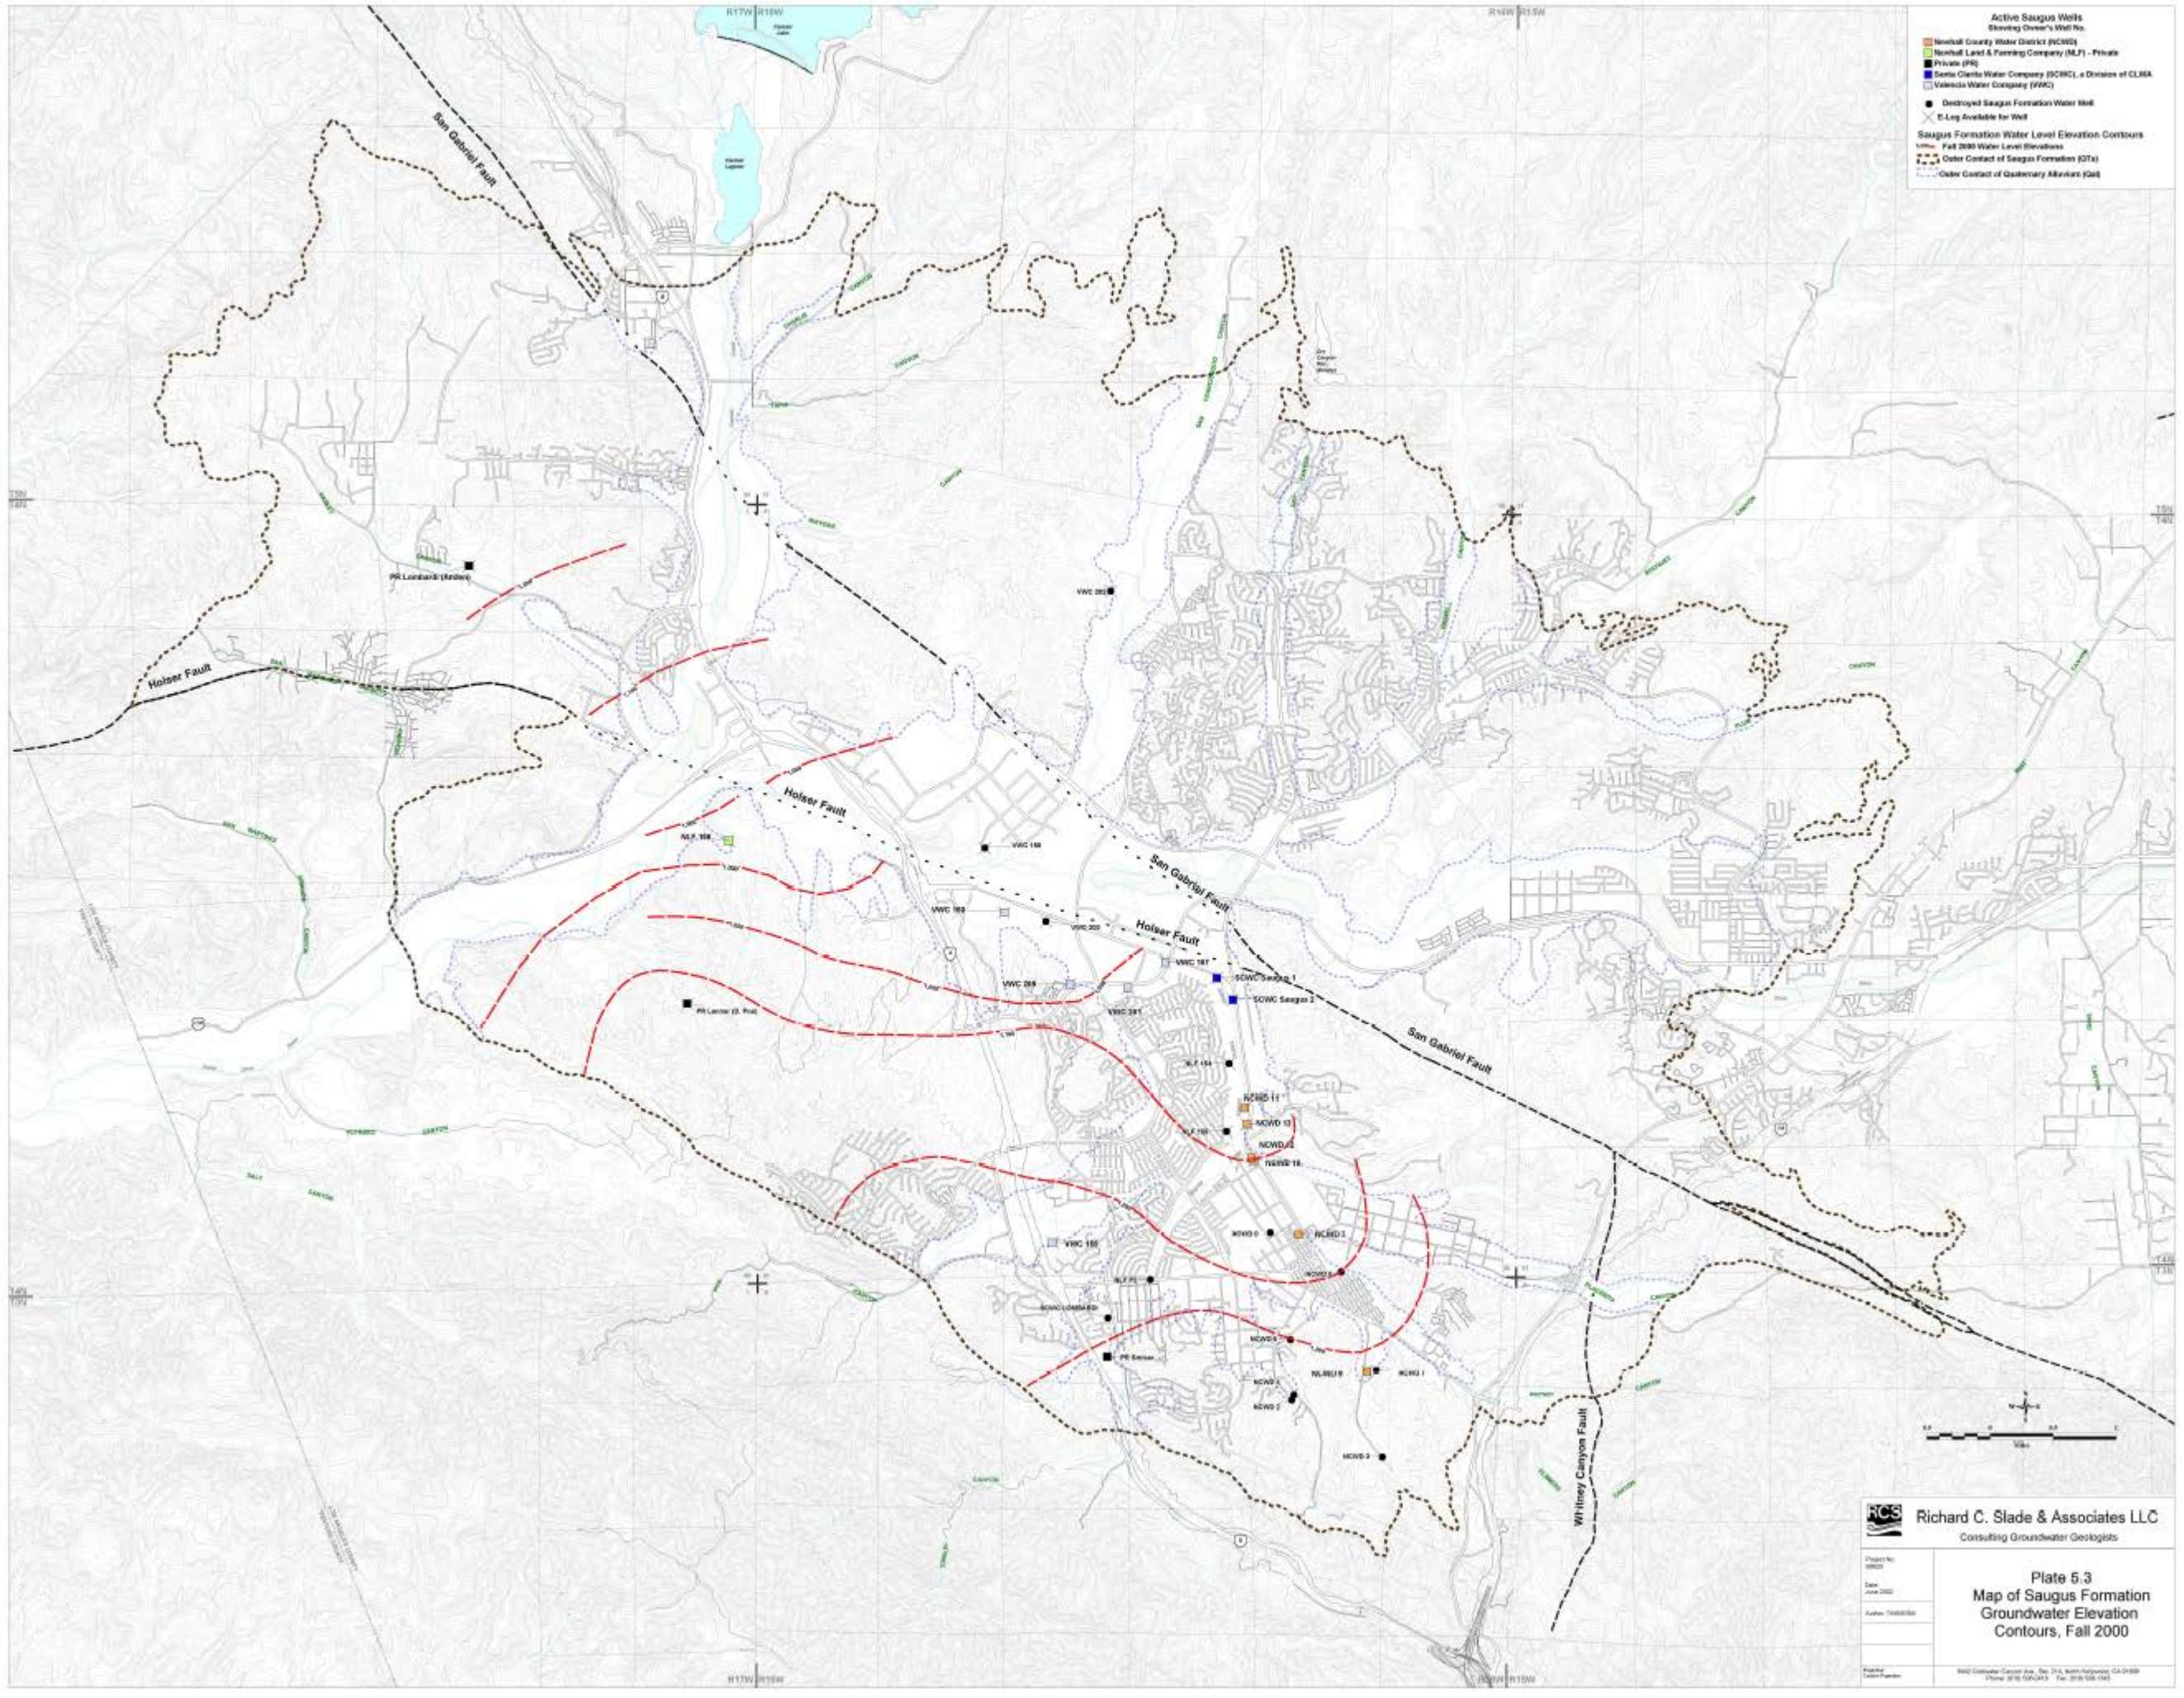

- Active and Inactive Alluvial Water Wells**
 Showing Owner's Well Number
- L. A. County Flood Control District (LACFCD)
 - Newhall County Water District (NCWD)
 - Newhall Land & Farming Company (NLFC) - Private
 - Santa Clara Water Company (SCWC), a Division of CLWC
 - Private (P)
 - Seward Engineering (SE)
 - Valencia Water Company (VWC)
 - Wayside Home Ranches (WHR)
- Outer Contact of Alluvial Formation (20)
- Area of Quaternary Alluvium
- Water Level Elevation Contour for Spring 2000 (P 00)
- See list for details of contouring method.

Map of Alluvial Water Level
Elevation Contours
Spring 2000

- Active Saugus Wells**
 Showing Owner's Well No.
- Northridge County Water District (NCWD) - Private
 - Northridge Land & Farming Company (NLFC) - Private
 - Private (PR)
 - Santa Clara Water Company (SCWC), a Division of CLWA
 - Valencia Water Company (VWC)
- Destroyed Saugus Formation Water Well
 ✕ E-Log Available for Well
- Saugus Formation Water Level Elevation Contours**
 - Fall 2000 Water Level Elevations
 - Outer Contact of Saugus Formation (OTL)
 - Outer Contact of Quaternary Alluvium (OQL)
