EXTENSION REQUEST

CDFW

Requested an extension to October 26. Staff accommodated the request. No formal comment letter was received.

FORMAL COMMENT LETTER

Whittaker Corporation

Submitted a formal letter. Staff is coordinating with the technical team to review and address the comments.

Each item is being documented and addressed. Our December 7 materials will include the comment matrix and a redlined version of the Periodic Evaluation.

NEXT STEPS

1. **Complete technical review** — Coordinate with the technical team to evaluate the public comment letter from Whittaker Corporation.
2. **Document responses and revisions** — Prepare the comment-and-response record and incorporate appropriate revisions into the Periodic Evaluation.
3. **Advance to adoption** — Issue the notice of public hearing, present the final Periodic Evaluation for Board consideration, and submit the adopted document by January 24, 2027.
